EMPLOYMENT HISTORY

High School Teacher

Huelva & Murcia, Spain (2018-2020)

Developed project based plans to meet intellectual and social needs of students while also establishing rules for behavior and maintaining order in the classroom. I worked with students in a bilingual setting with multiple subjects.

Elementary School Teacher

Bangkok, Thailand & Ho Chi Minh City, Vietnam (2015-2018)

I taught elementary students English in a fun and game oriented fashion. Administered and corrected tests in a timely manner and implemented interactive learning mediums to increase student understanding of the course

ACADEMIC BACKGROUND

Le Wagon Mexico

Junior Full-Stack Developer October 2020 - December 2020

Lead developer for Bookclub, web app developed as the final project of the course

University of Kansas

Bachelors of Arts in History, Class of 2014

I graduated with a 3.2 GPA. I was a sociology minor as well. I was also an America Reads teacher helping struggling elementary students in English and Mathematics.
